KINGSTON CHAMBER MUSIC FESTIVAL 2016

NATALIE ZHU, ARTISTIC DIRECTOR
 BRIAN MITCHELL, MANAGING DIRECTOR

We have so much in store for you in the summer of 2016 that I can hardly mention all the highlights here! You can enjoy a famous Bach keyboard piece performed by a saxophone quartet called Project Fusion; two works by The Myriad Trio for the unusual instrumentation of flute, viola and harp; a recital by the exciting young, Bulgarian-born pianist Viktor Valkov; and the return for the third consecutive season of Grammy-winning guitarist Jason Vieaux. Add to that the world premiere performance of a piano quartet — commissioned by the festival — composed by the ingenious pianist Stewart Goodyear, who returns for his third consecutive season. Seven artists will make their Kingston debuts, while seven others return after short absences. We hope you can see and hear all this and a lot more from our 22 fabulous artists!
